# Our Story

## Forged in Trust

**SIFA ELECTRICAL CONTRACTORS CO. LTD** was founded on a powerful foundation of friendship, mutual respect, and an unwavering commitment to quality. Recognizing a critical gap in the market for reliable, professional, and timely electrical services in Tanzania, we emerged as the solution. We are a home grown company built to tackle the industry's common challenges, unprofessionalism, inflated prices, and sub-standard workmanship by putting our clients' satisfaction and trust at the very core of everything we do.

# Message From Director

*At SIFA, our commitment to excellence is the engine of our growth. We have assembled a team of highly trained professionals and dedicated ourselves to providing cutting-edge, reliable electrical solutions because we understand that your operations depend on them. We are not just*

**– Silaju Mkuwa Matteka,  
Managing Director**

# Our Mission, Vision

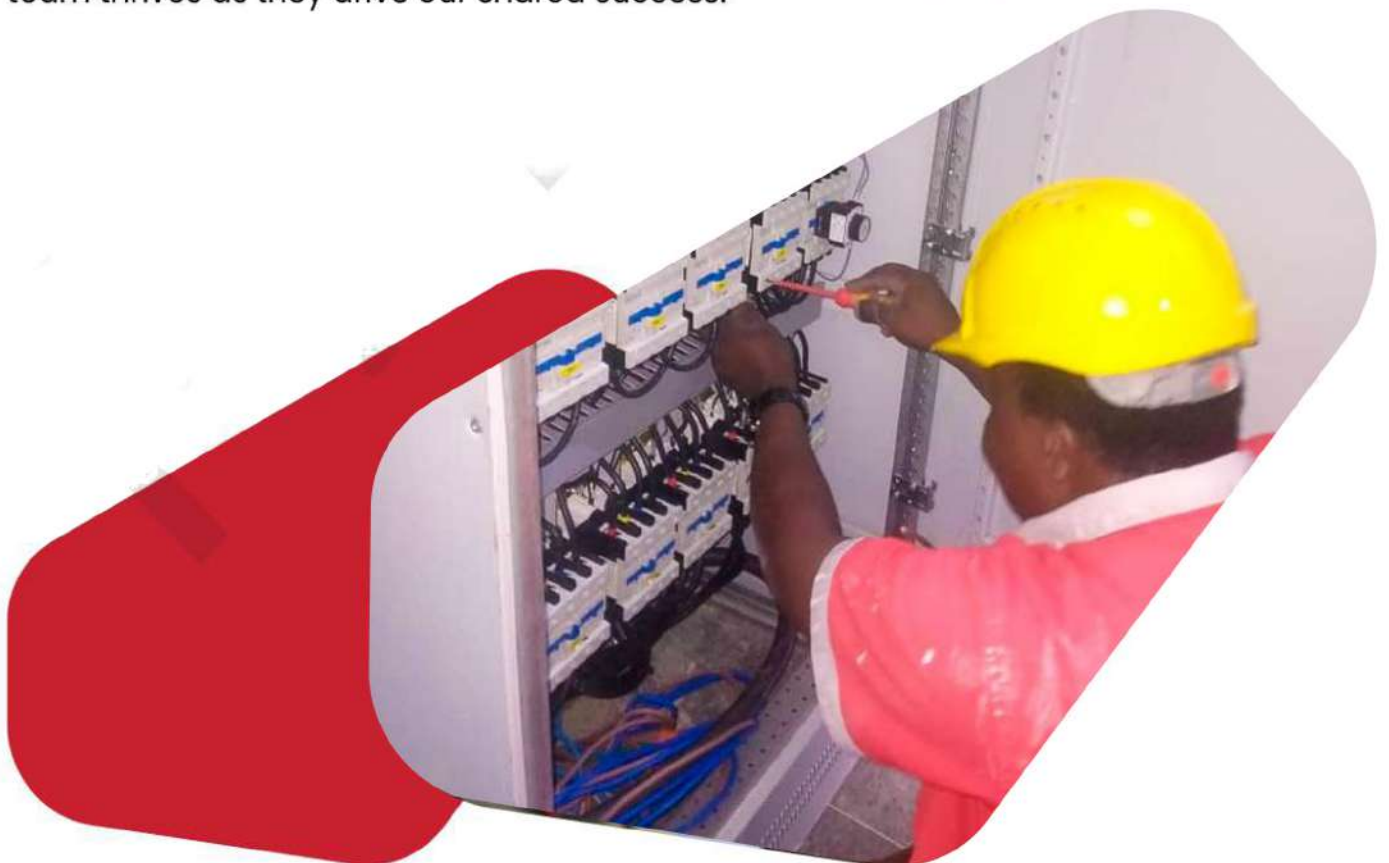

## Our Mission

To be Tanzania's most trusted and respected electrical contractor, renowned for unwavering excellence and exceptional client service.

## Our Vision

To empower our clients' success by delivering superior, innovative electrical solutions. We foster a collaborative environment that attracts and nurtures top talent, ensuring our team thrives as they drive our shared success.

Empowering client success through smart, innovative electrical solutions driven by a team that grows & delivers.

# Our Values

## Accountability

We own our actions and results, ensuring every project meets our high standards.

## Collaboration

We work together, leveraging our collective expertise to achieve the best outcomes for our clients and our team.

## Passion

We are energized and inspired by the work we do, striving to make a positive and lasting impact on every project.

## Customer Focus

Your success is our success. We treat every client with dignity and respect, building relationships founded on trust.

# Our Services

## 01 Residential Services

Professional electrical installation, troubleshooting, and upgrades for your home.

## 02 Commercial Services

Complete electrical systems for offices, hotels, shopping malls, schools, and other institutions.

## 03 Industrial Services

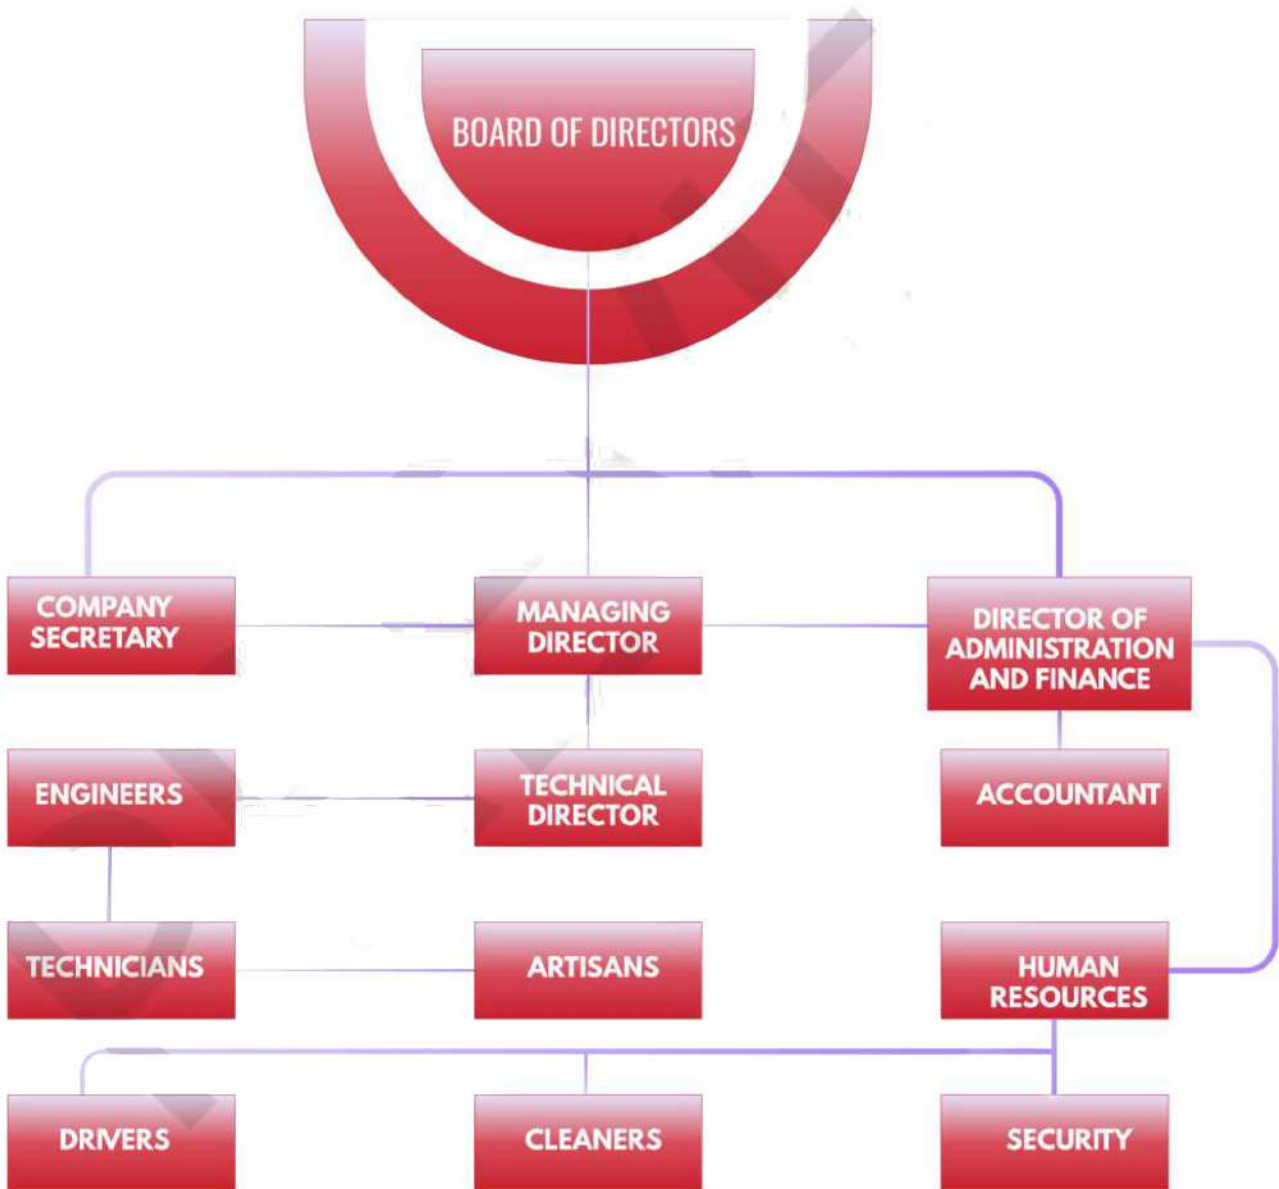

Robust solutions including new line installations, plant upgrades, and emergency repair services to minimize downtime.

## 05 Specialized Solutions

Enhancing safety and comfort through security systems, CCTV installation, automation, air conditioning, plumbing, and refrigeration services.

# Administrative Structure

# Why Choose Us?

You should choose us because we go beyond just wiring and installations. We build lasting partnerships.
